2026 Tasmanian Disability Expo

On behalf of Speak Out welcome to the

Disability Expo

Gearing Up for Choice and Control.

We are proud to again host Expos across Tasmania - in Devonport, Launceston and Hobart.

The Expos are an opportunity for people with disability, their families and carers, stakeholders, business and community to connect with each other, be aware of what is available, and continue to develop an inclusive Tasmania.

They are for the community and run by the community.

Thank you to everyone who is supporting them
by exhibiting and coming along.

Every person living with a disability has different needs and will make different choices about how they wish to live their life.

Get information, ask questions, think about opportunities, talk to services about how they respond to changing needs. This will help you make choices and exercise control of your life.

Enjoy the Expo.

AKG Australia & Brain Boot Camp Devonport

www.akg.com.au/contact

AKG & Brain Boot Camp Devonport is proud to lead a collaborative site with **Brain Boot Camp** at the 2026 Devonport Disability Expo, sharing a single exhibition space to showcase a holistic approach to employment and community support.

AKG will showcase its Inclusive Employment Australia (IEA) service. As a specialist disability employment framework, AKG focuses on removing barriers to work for individuals with disabilities, injuries, or health conditions.

The service provides personalised job preparation, flexible long-term mentoring, and workplace modifications while integrating holistic wellbeing support to help participants find sustainable employment. Complementing this, **Brain Boot Camp** is a dedicated mental health service based at the Pathway Shed in East Devonport.

They provide vital regional services, including mental health training, group therapy, and social or educational support groups. Their targeted programs offer individualised mental health support, autism-specific assistance, and essential employment skills training and development. By sharing a table, **AKG and Brain Boot Camp** bridge the gap between workforce participation and clinical wellbeing.

Together, we offer local families, carers, and jobseekers a seamless pathway from mental health capacity building to stable workplace integration.

Visit our joint site to learn how our collaborative services can support your journey.

At APM Employment Services, we help people with disability, injury, or a health condition access free support through the Inclusive Employment Australia program.

Using a person-centred approach, we support individuals to build confidence, develop skills, access training, connect with employers, and work towards meaningful employment at a pace that suits them.

We also work closely with Everyday Independence (part of the APM Group), who delivers capacity-building employment supports, allied health, and therapy services that help NDIS participants develop the skills, independence, and confidence needed to achieve their individual goals and meaningful life outcomes.

CVGT Employment is a not-for-profit, community-focused organisation with a long history of supporting jobseekers and employers.

Since 1983, we've been helping people access meaningful work and training opportunities. We believe that inclusive employment benefits individuals, strengthens businesses and builds healthier communities.

We put people first in everything we do. Our team works with genuine care, strong local knowledge and a commitment to improving wellbeing in every community we serve.

We help people find work that matches their skills, goals and strengths, while supporting businesses to find staff who are ready to contribute and grow.

NDIS SERVICE DELIVERY: Ready to find a job that actually works for you?

Inclusive Employment Australia puts you, the Participant at the centre of the service to help create a more inclusive future. It gives people with a disability, injury or health condition the support to prepare for, find and maintain work, and grow their career.

When you join Inclusive Employment Australia with CVGT Employment, we will help you find a job that suits you. We'll listen, support you, and make sure our help fits your needs — at no cost to you and without affecting your NDIS funding.

We partner directly with your NDIS support team to provide a seamless experience, focusing on your unique strengths while helping you build the confidence and skills needed for the workplace.

From finding the right employer and securing government-funded workplace adjustments to providing ongoing support once you're on the job, we're with you every step of the way to ensure your success in open employment.

admin@familybasedcare.org.au

Family Based Care is a non-faith based not for profit community organisation that has been providing support in the home and community for the frail aged, disabled, and their carers since 1986.

With nearly 40 years of experience in delivering care and support you can be assured that we will always do our best to provide care that is the right fit at the right time in the right place.

Our allied health services and specialist disability services encompass My Psychology Tasmania, My Speech Pathology Tasmania, My Occupational Therapy Tasmania, My NutriHealth Tasmania, Enhanced Supports, and the MATES program. They provide an alternate pathway to services which may not be widely available or accessible across Tasmania.

With offices in Burnie, Devonport, Launceston, Hobart, and Rosebery, our service area extends across Tasmania, including King Island, Flinders Island, North East Tasmania, and the West Coast.

NDIS Service Delivery: Family Based Care Tasmania is a registered NDIS provider, offering a wide range of supports tailored to your goals, lifestyle, and independence. Our approach is grounded in self-directed support – you're in control of the services you receive, and we're here to help you make the most of your NDIS plan.

We work with you to coordinate a personalised care plan that adapts to your needs and evolves with you, while aiming to achieve the goals you have set.

From humble beginnings in 1952 as a disability play centre, genU has grown into one of Australia's largest and most trusted care providers. We support people with disability, seniors, job seekers and students through a wide range of services designed to meet people where they are – in life, in their community, and in their journey. genU was also one of the first trial sites for the National Disability Insurance Scheme (NDIS), and we've been a registered provider since 2013.

While our reach is national, our strength lies in the local communities we serve. Here in Tasmania, genU is powered by passionate locals who understand the needs of the people around them. It's local people supporting local people – backed by the experience, expertise and innovation of a large, values-driven organisation. That means you get the best of both worlds: personalised, community-based care, with the confidence of a proven provider behind it.

Mission Australia NDIS Partner

**MISSION
AUSTRALIA**

Delivering the NDIS in your community

03 6420 6850

ndisptc.missionaustralia.northwesttasmania@ndis.gov.au

At Mission Australia, we're proud to be a NDIS Partner in the Community – supporting people with disability, their families and carers to navigate disability support systems and connect with the services they seek.

Our Early Childhood (EC) coordinators help families with children younger than six with developmental concerns or children younger than nine with disability to connect and engage with supports they need to have the best possible start in life.

Children Younger than six do not need a formal diagnosis to get supports through our early childhood approach.

And our Local Area Coordination (LAC) services work with all people with disability, not just NDIS participants to create and work towards their goals, build capacity to make their own decisions and have access to supports they need to live the life they choose.

For most people aged from nine or older an LAC will be your main point of contact.

We also collaborate with local government, community and mainstream services to create more inclusive, accessible and welcoming communities for people of all abilities.

Whether you're just starting to explore your options, applying for the NDIS, already have a NDIS plan, or just need a little extra support - we're here to help.

As Tasmania's publicly owned training provider, we provide access to Vocational Education and Training (VET) that builds success for learners and strengthens our industries and communities by:

- providing an enriching learning experience that promotes pathways to employment and further study through accessible and innovative learning
- delivering a modern and fresh approach to how, when and where learning can occur
- building workforce and community capability through collaboration and engagement; and
- creating fit-for-purpose, inclusive and technology-rich training facilities.

We offer 172 nationally accredited and industry-endorsed qualifications ranging from Certificate I to Advanced Diploma level, as well as short courses and skill sets across more than 30 industry areas.

TasTAFE has an ongoing commitment to meet Tasmanian community expectations and the needs of all our learners and offers a range of flexible study options and support services. We welcome learners with differing abilities and offer reasonable adjustments to eligible learners, including access to ergonomic equipment, assistive technology and flexible classroom environments and assessment processes, applicable to the course being studied.

We strive to deliver training that prepares our learners to enter the workforce for the first time, get a promotion or change careers. Our Work Pathways program is specifically designed for learners with an intellectual or cognitive disability who are on a pathway towards employment and increased community participation.

We are committed to meeting industry demands and enabling Tasmanians to gain the skills and qualifications they need for the state's workforce and the community to succeed and prosper.

We are very pleased to participate in the 2026 Aged and Disability Expo, helping connect people with disabilities, their families and carers, with the services, supports and opportunities they may require.

Tender Loving Care Disability

1300 998 885

info@tenderlovingcaredisability.com.au

We're a registered NDIS provider that's spent years supporting people with complex disabilities across Australia – Supported Independent Living, Specialist Disability Accommodation, and high-level support coordination for people with significant psychosocial and physical needs.

The work is practical, relationship-based, and grounded in the reality of what day-to-day life actually looks like for participants and their families.

Last month we opened in Tasmania. We didn't come here for a quick footprint or to tick a box. We came because the gaps are real and Tasmanians deserve access to the same standard of support we've been delivering elsewhere. Our focus is on building something that lasts – local relationships, reliable workers, and supports that actually match the person, not the other way around.

We're a Tier 1 provider. That means solid systems, experienced teams, and a commitment to quality and transparency you can hold us to. If the name "TLC" has carried baggage for some people in Tasmania, we want to be clear: we are **Tender Loving Care Disability**. Different organisation, different approach, different track record. We specialize in complex supports and we take the responsibility seriously.

We're here for the Tasmanian community – participants, families, coordinators, and the networks that hold people up.

Come and talk to us. Tell us what's working, what's not, and what would make a genuine difference. We're listening, and we're ready to get stuck in.
