2026 Tasmanian Disability Expo

On behalf of Speak Out welcome to the

Disability Expo

Gearing Up for Choice and Control.

We are proud to again host Expos across Tasmania - in Devonport, Launceston and Hobart.

The Expos are an opportunity for people with disability, their families and carers, stakeholders, business and community to connect with each other, be aware of what is available, and continue to develop an inclusive Tasmania.

They are for the community and run by the community.

Thank you to everyone who is supporting them
by exhibiting and coming along.

Every person living with a disability has different needs and will make different choices about how they wish to live their life.

Get information, ask questions, think about opportunities, talk to services about how they respond to changing needs. This will help you make choices and exercise control of your life.

Enjoy the Expo.

BePositive Therapy

03 9112 5982 | admin@bepositivetherapy.com.au

BePositive Therapy is an OT owned and operated allied health service providing high quality Occupational Therapy and Positive Behaviour Support in Tasmania, including Hobart and Launceston.

We are a values driven team committed to delivering evidence based, person centred support that empowers people to build skills, increase independence, and live meaningful, connected lives. Our services are grounded in clinical expertise, genuine relationships, and a strong belief in the potential of every individual.

Our Occupational Therapists work across functional capacity assessment, daily living skills, assistive technology, home modifications, sensory assessment, mental health OT, and capacity building for people of all ages. We focus on practical, achievable outcomes that improve everyday life at home, in the community, and at work or school.

Our Positive Behaviour Support Practitioners deliver high quality, trauma informed behaviour support that prioritises dignity, safety, and quality of life. We work collaboratively with participants, families, and support teams to understand the function of behaviours, reduce restrictive practices, and build sustainable, strengths based strategies.

As an OT owned organisation, clinical quality and participant outcomes sit at the heart of everything we do. Our team is supported through strong supervision, professional development, and a culture that values integrity, kindness, and continuous learning

Whether you're seeking therapy, behaviour support, or guidance navigating the NDIS, BePositive Therapy is here to help you move forward with confidence.

Supporting Tasmanians to Live Life Their Way

Care Assure is a proudly Tasmanian, family-owned and operated registered NDIS provider, delivering quality disability support services across Northern Tasmania and beyond.

Founded in 2019 by Madeeha Usman, **Care Assure** was born from lived experience. As a carer for a family member receiving NDIS support, Madeeha understood firsthand the challenges families can face when navigating disability services. Inspired by a desire to create meaningful change in her community, she established **Care Assure** with a vision of providing compassionate, person-centred supports that genuinely make a difference in people's lives.

Today, **Care Assure** provides a wide range of NDIS services, including Supported Independent Living (SIL), respite care, and in-home supports. Our services are tailored to meet the unique goals, preferences, and support needs of every participant.

Our experienced and dedicated team is skilled in supporting people with complex needs, including those living with behaviours of concern, epilepsy, diabetes, and complex health conditions. We work closely with participants, families, guardians, and allied health professionals to ensure safe, responsive, and high-quality care.

As a local provider, we understand the values, lifestyle, and communities that make Northern Tasmania special. Whether it's supporting participants to enjoy all that Launceston and the surrounding regions have to offer, develop independent living skills, or feel at home in a supportive environment, our focus is always on helping people live fulfilling lives with choice, dignity, and inclusion.

At Care Assure, we're more than a service provider.

We're a family business built on care, experience, and a genuine commitment to the Tasmanian community.

From humble beginnings in 1952 as a disability play centre, genU has grown into one of Australia's largest and most trusted care providers. We support people with disability, seniors, job seekers and students through a wide range of services designed to meet people where they are – in life, in their community, and in their journey. genU was also one of the first trial sites for the National Disability Insurance Scheme (NDIS), and we've been a registered provider since 2013.

While our reach is national, our strength lies in the local communities we serve. Here in Tasmania, genU is powered by passionate locals who understand the needs of the people around them. It's local people supporting local people – backed by the experience, expertise and innovation of a large, values-driven organisation. That means you get the best of both worlds: personalised, community-based care, with the confidence of a proven provider behind it.

Good Directions is an NDIS service provider that offers a participant-owned disability service (GD-PODS) model, enabling each individual living with disabilities to have complete choice and control over their supports, staff, and budget in their own not-for profit company especially setup for the individual participant/s (Service for one/small groups).

We specialise in NDISQSC compliant high-intensity care, complex behavioural and therapeutic supports, housing, daily living, community participation and capacity building, using our "The IT-HUB" for management and ensuring participants hold legal ownership of their resources.

Our vision is to apply our model of GD-PODS and continually find new ways for participants to own and manage more of their personal resources. We do this through a 'shared management' approach that enables people to live their lives in a way that they choose, with the right support.

The NDIS provides funding to eligible people with disability to gain more time with family and friends, greater independence, access to new skills, jobs, or volunteering in their community, and an improved quality of life.

The NDIS also connects anyone with disability to services in their community. This includes connections to doctors, community groups, sporting clubs, support groups, libraries and schools, as well as providing information about what support is provided by each state and territory government.

The scheme currently supports 760,000 Australians with disability, and over 80,000 children across Australia who have developmental delays or disabilities through its Early Childhood Approach.

As Tasmania's publicly owned training provider, we provide access to Vocational Education and Training (VET) that builds success for learners and strengthens our industries and communities by:

- providing an enriching learning experience that promotes pathways to employment and further study through accessible and innovative learning
- delivering a modern and fresh approach to how, when and where learning can occur
- building workforce and community capability through collaboration and engagement; and
- creating fit-for-purpose, inclusive and technology-rich training facilities.

We offer 172 nationally accredited and industry-endorsed qualifications ranging from Certificate I to Advanced Diploma level, as well as short courses and skill sets across more than 30 industry areas.

TasTAFE has an ongoing commitment to meet Tasmanian community expectations and the needs of all our learners and offers a range of flexible study options and support services. We welcome learners with differing abilities and offer reasonable adjustments to eligible learners, including access to ergonomic equipment, assistive technology and flexible classroom environments and assessment processes, applicable to the course being studied.

We strive to deliver training that prepares our learners to enter the workforce for the first time, get a promotion or change careers. Our Work Pathways program is specifically designed for learners with an intellectual or cognitive disability who are on a pathway towards employment and increased community participation.

We are committed to meeting industry demands and enabling Tasmanians to gain the skills and qualifications they need for the state's workforce and the community to succeed and prosper.

We are very pleased to participate in the 2026 Aged and Disability Expo, helping connect people with disabilities, their families and carers, with the services, supports and opportunities they may require.

Tender Loving Care Disability

1300 998 885

info@tenderlovingcaredisability.com.au

We're a registered NDIS provider that's spent years supporting people with complex disabilities across Australia – Supported Independent Living, Specialist Disability Accommodation, and high-level support coordination for people with significant psychosocial and physical needs.

The work is practical, relationship-based, and grounded in the reality of what day-to-day life actually looks like for participants and their families.

Last month we opened in Tasmania. We didn't come here for a quick footprint or to tick a box. We came because the gaps are real and Tasmanians deserve access to the same standard of support we've been delivering elsewhere. Our focus is on building something that lasts – local relationships, reliable workers, and supports that actually match the person, not the other way around.

We're a Tier 1 provider. That means solid systems, experienced teams, and a commitment to quality and transparency you can hold us to. If the name "TLC" has carried baggage for some people in Tasmania, we want to be clear: we are **Tender Loving Care Disability**. Different organisation, different approach, different track record. We specialize in complex supports and we take the responsibility seriously.

We're here for the Tasmanian community – participants, families, coordinators, and the networks that hold people up.

Come and talk to us. Tell us what's working, what's not, and what would make a genuine difference. We're listening, and we're ready to get stuck in.

Women's Legal Service Tasmania is a not-for-profit organisation offering free legal advice face-to-face or through our 1800 line, representation, information and advocacy for women, non-binary and trans people across Tasmania.

We frequently visit outreach locations statewide to provide a free accessible service and provide free legal education for workplaces and the community. To offer our clients holistic support, we also provide free financial counselling and social work services where needed.

**Call 1800 682 468 between 10am and 4pm, Monday to Friday,
to book a free legal advice appointment.**
